DETAILED ACTION

Response to Amendment

The reply filed on 4/7/04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the amendment to the claims is improper as the deleted material from the claims does not correspond to the claims as they currently stand. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Election/Restrictions

Examiner further notes that the applicants have affirmed the election with traverse- however no arguments were filed to support the traversal and therefore this election is understood to be made WITHOUT TRAVERSE. No correction is necessary as the election restriction is therefore made final.

Information Disclosure Statement

The IDS's filed 3/26/04 and 4/7/04 have been considered in their entirety.

Examiner notes the last foreign patent on page one of the first IDS is a duplication of a submission of 4/19/02 and thus was not considered. All but two references of the 4/7/04 IDS were submitted on the 3/26/04 IDS and thus only the two NPL references were considered therein.
